LETTER FROM OUR HEAD PRO

Happy April from the Golf Shop at Rock Creek!

I can't believe we are almost to the golf season! Every year the weather in March amazes me. While Brock and I got to represent RCCC in the Pacific Northwest Section Pro-Assistant tournament on March 17th and 18th it felt like we were still in the middle of winter, then just a week later it's in the mid-70s!

We are so excited for the upcoming year here at the Club. Our Golf Shop team of Brock, Shelly and I have a full year under our belt together and we truly believe the Golf Operation and member experience is only going to keep improving.

We have some great new merchandise coming to the Golf Shop this Spring including Jones Sports Co, Seamus Golf, Levelwear, Pukka Headwear, Blue Tees Rangefinders, and many more, so please stop in and let us show you the latest and greatest in the golf industry! If you are looking for any golf equipment this year, please come to Rock Creek first. Most times we can either match or beat the prices of our competition and we would love to have your sale come through the Golf Shop here. Plus, if anything with the product ever goes wrong, we would be happy to provide great customer service.

We appreciate the continued support, and we are looking forward to another great season here at Rock Creek. As always, if there is anything we can do to improve your experience here at the Club, please let me know. Stop in the Golf Shop so we can share with you how to win a Limited-Edition Masters Staff bag!

MAINTENANCE CORNER

First, I would like to show my appreciation to our membership for stepping up as I have clearly noticed the effort to replace/repair divots in the last few weeks, let's keep it up. The newly finished forward tees will be in play in the next week or two. We have the OGA coming out to get an official measurement during aerification. There might be 2 or 3 that need a little bit longer to heal, please be sure to stay off the new tees until they are opened. Every year we start the golf season by aerating the greens. We know most golfers don't appreciate the process, but it allows us to alleviate compaction which allows better water and oxygen movement through the profile. So, while we understand the frustrations of it, we do need to take these steps to ensure proper turf quality throughout the year.

This year Rock Creek Country Club is participating in Rounds 4 Research, an innovative program aimed at generating resources to fund research and help ensure golf's future. The premise is simple: Golf facilities can support the effort by donating rounds of golf. The auction to purchase rounds begins on April 21st-27th. Rounds are from all over the state and country, take a look if you have an upcoming vacation, you just might have to turn it into a golf trip!

In memory of

JEFF THORNE

It is with heavy hearts that we say goodbye to Jeff Thorne, a cherished member of our community. Known for his sharp wit, quick humor, and kind spirit, Jeff could always be counted on to bring a smile (and a sarcastic remark) to any room. His unique blend of humor and kindness touched us all, leaving an indelible mark on everyone who had the privilege of knowing him.

Though we'll miss his infectious laughter and his ever-present personality we take comfort in the many memories he leaves behind. Our community won't be the same without him, but we'll carry his spirit with us always.

**Rest in peace, Jeff.
You will be deeply missed.**
